Leadership & Co-curricular Activities

**Dewan Pengawas Organisasi (DPO), Mathematics Student Association (HIMATIKA),
Universitas Airlangga - Surabaya, Indonesia**

Jan 2021 - Dec
2021

Chairperson of DPO

DPO HIMATIKA serves as the supervisory and advisory body overseeing the management of the Mathematics Student Association at Universitas Airlangga. DPO acts as an internal check-and-balance institution, ensuring accountability, transparency, and the accommodation of student aspirations within the organization.

- Oversaw the performance of 40+ organizational leaders, improving transparency and governance by 30% through structured evaluations.
- Acted as a communication link for hundreds of members, ensuring 100% of feedback was formally addressed to the executive board.
- Supervised the Faculty of Science and Technology general election, ensuring a fully transparent and intervention-free process, with voter participation increasing by 15–20%.
- Developed monitoring frameworks that reduced governance violations by 35%.

**Population Student Activity Unit (UKM Kependudukan), Universitas Airlangga -
Surabaya, Indonesia**

Jan 2021 - Dec
2021

Chairperson

UKM Kependudukan is an intra-campus student organization at Universitas Airlangga that focuses on promoting awareness and action around population-related issues. It aims to be at the forefront of supporting Indonesia's population-centered development.

- Led strategic direction and implementation of 10+ population-awareness programs, reaching 1,000+ students.
- Built partnerships with BKKBN and academic institutions, delivering five joint initiatives on reproductive health and demographic education.
- Expanded organizational engagement by 40% through internal training, competitions, and inter-campus forums.
- Designed community-based health and youth empowerment programs benefiting 500+ participants.

**Ministry of Village Development, Student Executive Board (BEM) – Universitas Airlangga -
Surabaya, Indonesia**

Jan 2021 - Dec
2021

Field Coordinator & Research Staff

The Ministry of Village Development under BEM Universitas Airlangga focuses on sustainable community empowerment through education, local economic development, health campaigns, and tourism revitalization across rural regions in East Java.

- Managed rural empowerment programs across 7+ villages, coordinating field operations and research activities.
- Delivered product development training for 60+ women and micro-entrepreneurs, increasing business income by 20–30%.
- Organized community markets and affordable bazaars that improved post-pandemic economic access by 35%.
- Revitalized local tourism sites through community engagement initiatives, increasing visitor numbers by 25%.
- Coordinated large-scale events such as the Fish Culinary Festival, attracting 1,000+ attendees and multiple institutional partners.
- Led health outreach programs—including vaccinations, early childhood care, and elderly services—reaching 800+ rural residents.

Skills, Achievements & Others
